At the Boys and Girls Pig Club sale the top gilt sold for \$110. The parade of all prize winning animals was interesting. The large herd of pure bred Holstein cattle from the State Sanatorium attracted great attention.

Mrs. D. E. Brite, of Midway Fruit Farm won first prize for an angel food cake. The Holland O'Neal Milling Company, offered \$5.00 for the best angel food cake to be made of their soft wheat flour and exhibited at the Mt. Vernon Harvest Home Fair. GUESS Enter this Free Contest

Enter the Hoover DIRT-GUESSING CONTEST now on at our store.

We have placed a rug on the sidewalk in front of our windows. It remains there all day passers by tramp over it, filling it with dust and dirt.

Each night we take in the rug and clean it thoroughly with the Hoover. The dirt is placed, each day, in a glass jar in our window.

This will continue for one week—how many pounds of dirt will the glass jar contain at the end of the contest?

Come down and see the window, watch the jar filling with dust and dirt each day; obtain a contest blank at our store and bring or send in your guess.

There's no obligation on your part if you enter the contest—any one may enter, but each person may submit but one guess.

Valuable prizes will be given. Come in and let us tell you about them;

We are doing this to show that our unusual confidence in The Hoover is completely justified and to convince all who may doubt that The Hoover is actually the best and most thorough of all electric cleaners.

Your Wife

If death were to take you suddenly, would she be safe from the rosy talk of the professional "gold-brick artist" and stock promoter—ever on the watch for inexperienced women with insurance money and other property?

Many husbands have made arrangements with the Trust Department of this bank which insure absolute protection and financial guidance for their wives in case of death. We suggest that you come in and talk it over. No obligation—we will be glad to explain in strict confidence.
